

Senior Expert Operations

- Brüsseler Str., 60327 Frankfurt am Main, Germany
- Full-time

Company Description

MET Group is an integrated European energy company, headquartered in Switzerland, with activities in natural gas and power, focused on multi-commodity wholesale, trading and sales, as well as energy infrastructure and industrial assets.

MET Group is represented in 20 countries: Austria, Belgium, Bosnia and Herzegovina, Bulgaria, Czech Republic, Croatia, France, Germany, Hungary, Italy, Poland, Romania, Serbia, Singapore, Slovakia, Spain, Switzerland, The Netherlands, Turkey and Ukraine.

MET Group is present in 32 national gas markets and 44 international trading hubs. The Group has a significant end-consumer presence in Belgium, Croatia, Italy, Hungary, Romania, Slovakia, Spain, and The Netherlands.

MET Group has 1100+ permanent staff. The company is owned 90% by MET employees and 10% by Keppel Infrastructure, a wholly owned subsidiary of [Keppel Corporation](#)*.

** Listed on the Singapore Exchange*

Job Description

- Implementation of complex energy contracts (natural gas, electricity, PPAs, etc.) in MET Germany's billing system (cpX Energy)
- Input and quality assurance of billing master data (volumes, prices, master data)
- Generation of all electricity and natural gas invoices from the billing system
- Responsibility for forwarding billing data to downstream processes such as accounting, payments, and payment verification
- Supporting Key Account Managers in customer service
- Professional involvement in projects aimed at optimizing and further developing billing processes and systems
- Participation in product development with regard to the processing of new products in billing and reporting

Qualifications

- University degree in economics, energy management, or equivalent experience/education
- 3–6 years of professional experience in energy billing or a comparable position
- Proficient in MS Office (especially Excel)
- Experience with the cpX Energy billing system is an advantage but not mandatory
- Basic knowledge of accounting and energy tax law is an advantage
- Very good German skills and at least good English skills
